Hi, Steve.

I've incorporated your changes into the Red and Bonita Removal Assessment report and intend to send the revised version tomorrow. I made a few changes from your edits for clarification. Do you want to see it again before it goes final?

I'll be in this week, but just a reminder that I'll be out next week. Let me know if there is anything you need before I go. Hope you don't get any responses next week.

Jan
